

EMAIDS SERVICE AGREEMENT

Terms of Service

Please contact our office to speak with a friendly Customer Service representative who can assist you with any information regarding your service appointments. We ask that you contact the office and not the housekeepers regarding specific instructions regarding your cleanings. This will ensure that all information regarding your cleaning is thorough and up-to-date.

Customer agrees to pay the price quoted at the time of the service-you are required to book your appointment with a credit card unless invoicing has been approved. Your card will only be charged if Cash or Check is not given to the housekeeper. All bank charges due to Not Sufficient Funds (NSF) Check payments will result in a \$30 fee per check. A chargeback made by a customer will result in a \$50.00 fee and may result in the customer being sent to a Collections company if the dispute is not settled.

eMaids accepts the following forms of payment: Visa, Mastercard, Discover, American Express, Cash and Check. Please note that in states where maid services are a taxable service the tax must be paid regardless of payment method. We always take your credit card for reservation purposes.

The client must allow us to enter the home at the scheduled appointment time-There will be a fee in the full service amount for any appointments missed due to inability to gain access to the home. Keys may be supplied to **eMaids** for convenient entry.

Cancellations-If a cancellation to your service or schedule is made less than 24 hours from the scheduled service time, there is a \$60 fee.

Damages-While we treat your home with the utmost of care, accidents may occur where an item is broken or damaged. **Any items deemed irreplaceable by the customer (whether monetarily or sentimentally valued) or any items of greater value should be stored and not cleaned.** Any damages discovered should be reported to eMaids within 24 hours of the service date. eMaids reserves the right to contract suitable professionals to repair damages. eMaids may make payment arrangements directly to its contractors to settle any damage repair.

In the event that you request a housekeeper to perform a laundry service, you **MUST** give proper instructions regarding the care of the items laundered.

eMaids is not responsible for any damage to an item due to improper installation of that item, or improper instructions given to the cleaner. If we are specifically instructed to clean inside of a hutch/china cabinet, outside of any computer equipment, or wash dishes, then the client agrees to not hold eMaids or any employee responsible for damage to any item or component.

Guarantee-your satisfaction is guaranteed. In the event of a customer finding a service to be dissatisfactory to their standards, we will send a maid back to the home to complete the items on the checklist that were underperformed. The complimentary return service will only include those items deemed unsatisfactory AND must be reported within 24 hours of the service date. Refunds are not granted unless a service did not occur.
